# Jonosfero:- Meaning

## → Ionosphere

- The layer of the Earth's atmosphere extending from about 80 to 1,000 km above the Earth's surface.
- With a high concentration of ions and free electrons, it is critical in atmospheric electricity and radio propagation over distances places on the Earth.
- Without it, communication would work only with line of sight and all modern technology would hold little meaning.

## → Language

- **Esperanto** - The world's only **truly international** and most widely spoken **constructed language**.

JONOSFERO  
INTERNATIONAL LLP

About

# About

## Jonosfero International

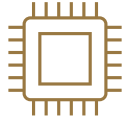

A subsidiary of Risk Management & Technology Experts **Acies & Jackstien Practices** incorporated specifically to provide a focused platform that converges...

JONOSFERO  
INTERNATIONAL LLP

# Technology & Risk Management

# Amalgamation

- Risk management technology without domain expertise is **meaningless**
- Meaningful risk management without technological aids is **impossible**
- Neither of the two can function well **without** on-ground expertise and hands on experience

---

**The amalgamation of cutting-edge technology, risk management expertise and on-ground experience**

# SSMS (Specialized Subject Matter Services)

How your technology serves you varies by **entity, license, location, clientele and structure.**

- Compliance with regulatory expectations is **rarely a one-size-fits all solution.**
- Customized technology solutions need an in-depth understanding of the underlying **regulations, risks, mitigations, product and market.**
- We deliver customized solutions as part of our **SSMS** (*Specialized Subject Matter Services*) **vertical.**
